ABOUT THE HONORABLE MENSCHIONS

The Jewish Journal of Greater Boston, the largest free Jewish publication in New England, has been serving the community for 49 years – providing objective reporting on Jewish and interfaith news. Our *Honorable Menschions* column highlights members of our community who make exceptional contributions through their work, volunteer efforts and through philanthropy. Each of their stories is unique, inspiring and heartwarming.

Please join us as we celebrate our *Honorable Menschions* and formally thank them for all that they do.

Steven A. Rosenberg, Publisher/Editor
